this practical book is useful both for inspection preparation and helping to promote the ongoing importance of personal responsibility and commitment to children's safety and well being it condenses management and safeguarding issues by bringing

together food safety health and safety legislation and the welfare requirements within the revised early years foundation stage 2014 it outlines the importance of complying with legal responsibilities and discussing the outcomes of failing to comply this helps to prioritise safeguarding through knowledge of the inspection process the book focuses on raising awareness and promoting a culture of safety to try and prevent accidents incidents and food poisoning outbreaks in settings it provides advice and guidance on how to improve quality gradings and food hygiene rating scores it also outlines the importance of taking ownership being confident and familiar with the inspection process by giving a broad overview and easy to follow format on topics to prompt staff discussions reflection and further individual research this book is a must have for all staff working within the early years foundation stage eys and could be used for training workshops and professional discussions

bachelor thesis from the year 2018 in the subject economics international economic relations grade 2.0 ruhr university of bochum wirtschaftswissenschaft language english abstract the aim of this bachelor's thesis is to answer the question whether brexit has negatively or positively affected the financial markets and why the first two chapters will present the foundations for this thesis namely more selective information about brexit how and why the vote was made and also about the financial markets and their importance since the uk's official exit from the eu will take place on march 29th 2019 it is still unclear what the consequences of brexit will be therefore the main part will focus on the period before and after the referendum tracking when brexit's influence began and how it had evolved over the years in addition a brief forecast will be given as to how the uk's withdrawal might eventually affect financial markets the three financial markets that will be a subject in this thesis are the foreign exchange market the stock market and the government bond market this bachelor's thesis will be mainly focusing on the markets inside the uk as the effects there are expected to be the most significant due to its ambiguity and topicality brexit is the subject of many studies and analysis this work will be based mainly on two studies kiel institute for the world economy's study by raddant and deutsches institut für wirtschaftsforschung's study by caporale et al through descriptive literature research and analysis of scientific literature newspaper articles and government reports will be examined how and why brexit has influenced the markets in one way or another the argumentation will be supported by daily observations of the gbp/USD gbp/EUR FTSE 100 UK EPU and 10 y UK gilts in the period between january 2016 and june 2018 as well as by self created graphics based on these observations

master's thesis from the year 2015 in the subject politics topic international organisations grade no grade yet university of aarhus course international studies language english abstract the unprecedented scope and implications of the 2014 ebola outbreak in west africa has confronted the international community with challenges in responding to the crisis on 19 september 2014 the first ever un emergency health mission united nations mission for ebola emergency response unmeer was established unmeer was set up as a temporary mission to bring together un agencies and capabilities in the response and closely collaborate with governments ngos member states and other relevant actors with the main strategic objective to stop the ebola outbreak this thesis investigates the effects of unmeer on the global

ebola response as a whole and assesses whether the establishment of the mission was the right decision to make from the un side in response to the outbreak in this regard the context in which unmeer was established is scrutinized by examining the challenges faced in the outbreak and how these were approached by the international community the analysis is predominantly based on qualitative primary data collected through individual semi structured interviews with respondents who are or have been directly involved in the ebola response as well as on secondary data findings show that unmeer had a positive impact on the response in various respects the exceptional decision from the un side to establish the first ever emergency health mission increased worldwide awareness of the outbreak and catalysed a high level political and financial international engagement in the response furthermore there seems to be a positive attitude towards unmeer s role in bringing together un agencies under a single structure in the response as well as the logistics support provided by unmeer to un agencies and other partners working in the response however due to a lack of presence and a limited number of staff in the affected countries effective collaboration with organizations involved on the ground did not sufficiently materialize findings indicate that overall responders were not satisfied with unmeer s impact on the ground this seems to be rooted in i a a significant gap between responders expectations and perceptions of unmeer due to lack of clear information from unmeer s side on what exactly could be expected of the mission drawing on research findings and lessons learned from the outbreak instead existing resources and systems under the un office for the coordination of of humanitarian affairs ocha should have been reinforced

features news from member countries incisive forum articles a review of the oil market and topical issues

this volume describes the city of gloucester from the late 7th century ad to the mid 1980s

this book presents a pioneering analysis of the archaeological and numismatic evidence for medieval coin hoarding using advanced statistical and gis methodologies to identify and interpret patterns in the formation and deposition of more than 800 medieval coin hoards found in england and wales

drawn and written in stone explores the religious history of the highest part of the tibetan plateau through its rock art and inscriptions it is focused on facsimiles of ritual and ceremonial monuments carved and painted on stone surfaces and rock inscriptions in the tibetan language vital archaeological and historical materials for appraising the development of religion in tibet ca 100 bce to 1400 ce by probing the complexion of figures and letters in stone this work considers how early cult traditions contributed to the establishment of tibetan buddhism and a rival faith known as yungdrung bon outside of the indian cultural context relatively little has been written about the historical antecedents of these popular tibetan religions for a want of sources this monograph helps remedy this large gap in tibetan studies by drawing upon the author s surveys of rock art and rock inscriptions conducted in upmost tibet between 1995 and 2013 back cover

the united kingdom is preparing for a deep decarbonisation of its energy system the country has decided to halve its greenhouse gas emissions from 1990 to 2027 and to cut them by a total of 80 by 2050 for this to happen significant private sector investment in new energy infrastructure is needed as it seeks concrete solutions to the low carbon investment challenge the united kingdom is leading by example the uk s proposed electricity market reform is a pioneering effort that will be closely observed by other countries ideally this complex and ambitious reform would in the long run lea
